### German Raiders Reported off Atlantic Coast

#### Rather Than Surrender Ship, German Captain Blows It Up

## TORPEDO DESTROYERS LOOKING FOR RAIDERS OFF ATLANTIC COAST

NEWPORT, R. I., April 7.—A German raider is officially reported off Nantucket. Customs authorities have warned all shipping to remain in port. A number of destroyers are on patrol off the coast to protect shipping and search for the raider.

A report from naval officials at Boston said the raider is described as a 10,000-ton vessel. It was seen off the Nantucket Shoals Lightship headed west.

The weather in this section of the New England coast is thick. It is not expected that the raider will be sighted again until at close quarters with a patrol vessel.

## ALL SHIPPING TIED UP.

WASHINGTON, April 7.—Reports of the German commerce raiders off Atlantic ports flashed along the seaboard as the first breath of war at the doors of America sent a thrill through the country. Shipping is practically tied up and naval patrols have been sent to investigate. Naval officials are overlooking no precautions but expect many reports of raiders during the high tension. It is thought not improbable that wireless warnings of a mysterious vessel off New England caused other reports of raiders.

## ANOTHER RAIDER OFF VIRGINIA CAPES.

NEWPORT NEWS, April 7.—A German raider is officially reported off the Virginia Capes. All outgoing and incoming shipping has been warned.

## GERMAN CAPTAIN BLOWS UP SHIP.

WASHINGTON, April 7.—Rather than surrender his vessel to American forces which went to take possession of the crew of the interned German gunboat, *Cormorant* at Guam, blew up the vessel. The explosion killed two German warrant officers and five of the crew are missing. All the remainder of the crew were taken prisoners.

## FRENCH MAKE ADDITIONAL GAINS.

The French war office announces violent cannonading south of St. Quentin and other sections of the front. The French made additional progress north of Landricourt.

## ANOTHER RELIEF SHIP SUNK.

NEW YORK, April 7.—The Belgian relief steamer *Anna Fostenas*, has been sunk by a submarine. No Americans were aboard.

## AUSTRIA SEVERS RELATIONS.

LONDON, April 7.—Passports have been placed at the disposal of the American Embassy at Vienna, and Bulgaria and Turkey have also decided to sever relations with the United States, according to a Vienna dispatch received at The Hague.

## NO NEWS OF BREAK AT WASHINGTON.

WASHINGTON, April 7.—Attaches of the Austro-Hungarian embassy and the Bulgarian minister both said that they have heard nothing of the break.

## SUBMARINE SIGHTED IN GULF.

TAMPA, April 7.—Captain Lindquist and the crew of a fishing smack from Sarasota report a large submarine in the Gulf yesterday. The men were on deck. Captain Lindquist hailed the submarine but received no reply.

## HOUSE TO MEET IN BRIEF SESSION.

WASHINGTON, April 7.—House leaders plan to hold a brief session Monday to concur with the state amendment to the general deficiency bill providing a special war fund of one hundred million. The House will then adjourn until Thursday to permit the committee to frame the bill.

## HEAVY SELLING OF SECURITIES.

NEW YORK, April 7.—Selling securities in large volume was resumed at today's short session of the stock market. Leading stocks opened one to two points down. Some stocks greatly extended losses. United States Steel declined three and three-eighths points.

## WHEAT SHORAGE CONFRONTS COUNTRY.

WASHINGTON, April 7.—The prospective slump of more than fifty million bushels in the winter wheat crop compared with last year is the first war feeding problem to confront the country. Government estimates show the winter wheat crop to be about 430,000,000 bushels. The acreage is larger but conditions are adverse. The production of rye is estimated at 60,000,000 bushels, the largest crop ever recorded.

## WHEAT REACHES HIGH MARK.

CHICAGO, April 7.—May wheat today rose to \$2.14 a bushel.

## BRAZIL TO DECLARE WAR BY MONDAY.

LONDON, April 7.—The Central News says it is semi-officially informed Brazil expects to declare war on Germany by Monday.

## CUBAN CONGRESS MAY DECLARE WAR TONIGHT.

NEW YORK, April 7.—The Cuban Congress is expected tonight to declare a state of war existing between Cuba and Germany, according to a cablegram received from President Menocal's private secretary.

## ENTENTE LOSES 44 AIRPLANES.

BERLIN, April 7.—It is officially announced that the entente lost 44 airplanes on the French front yesterday. Berlin admits the loss of five.

## DETHRONE KAISER RUSSIA MAY TALK PEACE.

PETROGRAD, April 7.—In an interview with an Associated Press correspondent, Minister Justice Kerensky said if the German people would follow the example set by Russia and dethrone Kaiser Wilhelm that "We offer possibility of preliminary negotiations."

## PROMINENT SOCIALIST CRITICISES WAR.

ST. LOUIS, April 7.—Morris Hillquit, temporary chairman of the New York Socialist party, in calling to order the special session of the National convention of the Socialist party declared that the United States was drawn needlessly into the war. He added that the war ought to be financed by those who can afford to pay and not by the working class.

## THE LOCAL STOCK EXCHANGE CLOSES

Cates and company, of Jacksonville, who have been conducting a local stock exchange during the season at 46 Magnolia avenue, closed their place of business at noon today, but are well pleased with the business transacted the past winter and will reopen their office here next season. The exchange has proved very popular, especially with the tourists, many of whom are interested in stocks.

## HONORS GO TO LOCAL BOYS IN STATE MEET

The Daytona high school carried off honors at the annual Declamation contest in the state high school meet at Gainesville, according to word received here, when Everett Kallgren, son of Mr. and Mrs. John Kallgren, won the contest with his subject: "That Something." Harry Wylie representing the school in the state essay contest, took second prize. Both boys handled their subjects capably, showing unusual literary ability in their phrasing and their comprehensive consideration of the topics. The contest took place in the University of Florida auditorium.

In the athletic events being held today, the Daytona High School is represented by Wesley Snyder, William Pope, Alexander Stuart, Carlisle Moore, Sheldon Eastland, Forest Snyder, Raymond Green and Nicholas Young. Accompanied by Prof. H. Clay Marks, the boys went to Gainesville yesterday.

**Advantages of a Hobby.**  
A hobby—not a bad habit—keeps you from becoming "et" in your ways. It keeps you from becoming mossy and mean and sour. Like a piece of machinery that needs rest at times, the great brain workers and the great masters of men always have some little hobby for their leisure hours.

**And He Never Smiled.**  
"Yes, sir, I think you'll find this'll bring your 'air up all right, sir. When we hintrodooced this 'ere stuff, sir, we tried it on a bald gent with a 'ead like a hegg, and, would you believe it, sir, 'e had to 'ave 'is 'air cut three times on his way 'ome. So we redoooced the strength."—London Tit-Bits.

## \$6,500 ADDITION TO BE MADE ON DAYTONA BEACH M. E. CHURCH

Owing to the fact that the recently enlarged main auditorium of the Daytona Beach Methodist church was far from large enough to accommodate the audiences and congregations in attendance at various times this winter, the official board and members have decided to expect to increase the building's size to such an extent that it will hold easily 1,000 people.

Seventy per cent of this sum has already been pledged and may be converted into cash at any time. Jesse N. Gamble, Smith G. Young and others are among those who are backing the proposition to make the local Methodist church the largest in the county.

The plans which are now being drawn for the extension of the building provide for an addition to the front of the structure, causing the front main wall to be even with the street. Seabreeze avenue. The building will also be extended out toward the corner of Seabreeze avenue and Peninsula drive. In general, the same lines of architecture will be maintained, except that the steeple will be removed entirely from the building. The church bell will, however, be kept and placed in another position. The new addition will make the main auditorium capable of holding without crowding, 1,000 persons. It will provide a prayer meeting room in the basement to hold 125 people and the present banquet hall of the church will be so enlarged that it will accommodate 450 people instead of 300, its present capacity.

As soon as the plans are complete, estimates will be obtained from local builders, and it is hoped to get the building entirely ready before July 1.

It is a noteworthy fact that a like amount of \$6,500 was expended only two years ago for additions to the building which have become insufficient during the short interval since.

The Daytona Beach Methodist or Community church has grown steadily since it was founded more than 20 years ago, but it has never taken such strides as it has in the past three years. Rev. John Treadwell, the present pastor, believes that in two or three years more, his church will find it necessary to replace its frame structure with one of stone. The growth of the church is gratifying indeed to peninsula residents as a whole.

Mrs. Michael Sholtz and charming daughter, Miss Ethel Sholtz, of Seabreeze, left Friday morning for St. Augustine for a stay of several days at the Ancient City.

Mrs. Will H. Moor and son, Henry and little granddaughter, Sarah, who came over from Deland last Monday to spend the week at the beach will leave their old home in the Coquina Lodge Sunday afternoon to return to the county seat.

Mr. and Mrs. Chas. White, who have been enjoying a winter at the beach left this morning for their northern home in Canajoharie, N. Y. These pleasant people are cousins of Mrs. W. F. Bleekman, of Halifax avenue, and Mrs. Edick, of Daytona. They have been located in the Orr apartments on Seabreeze avenue, Daytona Beach, during the season.

Friends were at the depot Friday afternoon to bid good bye to Mrs. Whitney of St. Cloud, Minn. Mr. and Mrs. Whitney, who had been guests at the Princess Issena hotel, Seabreeze, were leaving for their northern home. Mr. Whitney having motored to Jacksonville in his car Friday morning from which city they planned to tour to Washington, D. C.

## CLUB WOMEN ATTEND RECIPROCITY DAY

The invitation extended by the Village Improvement Society of Ormond to attend their Reciprocity day, the club women of Daytona and Daytona Beach were afforded an opportunity to see their new clubhouse and get closer in touch with the members of this delightful club.

A large number of members both of the Sans Souci and Palmetto clubs eagerly availed themselves of this opportunity. The fine new highways spanning the two cities, made a pleasant motor trip for the visitors.

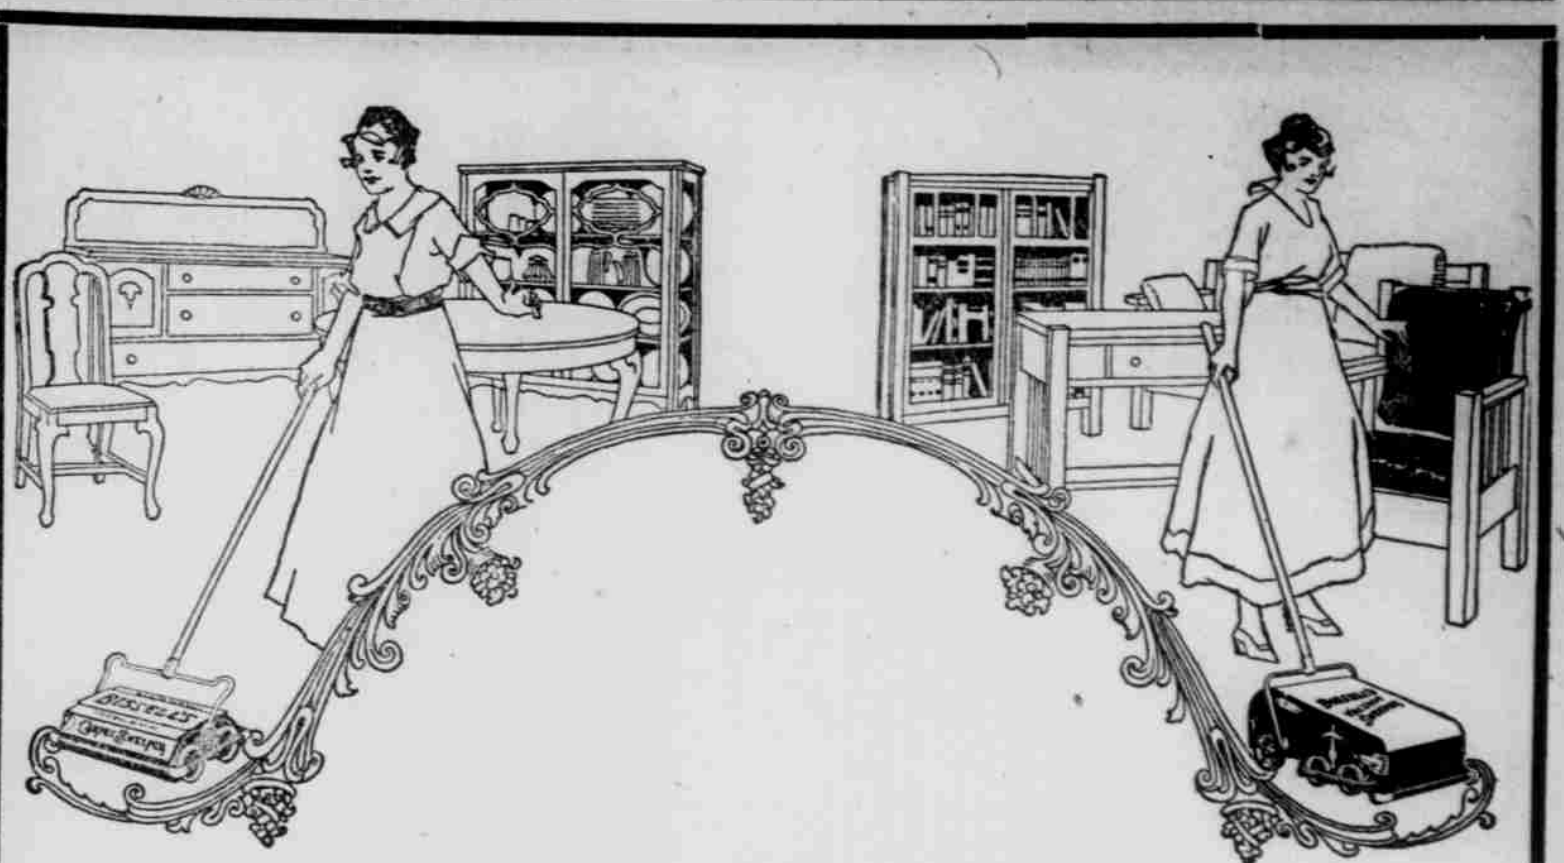

A cordial reception greeted the guests and after being seated in the spacious and attractive auditorium a program, charming in its impromptu arrangements, was given.

Mrs. J. D. Price, as presiding officer, with her gracious and charming personality, added much to the enjoyment of the day. Following a few words and a little routine business, a duet for piano and organ was rendered. This very unusual combination was one of the most delightful numbers on the program. A reading of dramatic intensity was exceedingly interesting. Two songs sung by Miss Lincoln revealed her possession of a voice of great flexibility and range and her numbers were enthusiastically received. Mrs. Price then asked Mrs. Mitchell and Mrs. Sears, as presidents of the visiting clubs to speak. In a brief but interesting way they spoke of their club activities and interests. Mrs. C. M. Wilder was then asked to say something of the Daytona Industrial school, which she did in a very comprehensive manner. Mrs. McKendrick of Salt, Canada, upon request, told what the women of Canada, are doing for their country, their soldiers, their wives and children.

This talk was eagerly listened to for the women present knew that here was a strong possibility that they might be called upon for like services and that every American woman should be only too glad to give.

This talk concluded a program as profitable as it was pleasurable. A social hour followed with refreshments daintily served. Old acquaintances were renewed, new ones made, good byes were said, and the day faded into a pleasant memory.

"THE JUGGERNAUT"  
\*\*\*\*\*

Everything that could be said about the story of "The Juggernaut" is so pale compared to the tremendous climax of this, railway drama that only an outline of the plot will be given here.

Two young men—one the brilliant son of poor parents,—the other the dissolute heir of a great railway king, become friends at college.

One thinks he has accidentally killed a drunken rowdy in saving the other's life—they two only know this secret. Both fall in love with the same girl who marries the rich boy only after his chum has withdrawn from the race because of poverty.

Years later one becomes president of his father's old railroad—the other a righteous, fearless district attorney. Both again worship the same girl—daughter of the old sweetheart of both, one with a father's deep affection; the other because she is her mother's counterpart.

The district attorney bitterly attacks the railroad in the courts. His former chum threatens to expose him as a murderer.

And now—imagine the girl on a train approaching a bridge which cannot possibly stand its weight. Both men know this. Both are rushing madly by automobile and motor boat to intercept it.

See the girl's sweet face at the window of the flying train—feel the swaying of the automobile as it skids desperately around sharp turns,—and the bounding of the motor boat slashing through rough waters.

Both men and the train come crashing into the picture at the same instant—too late!

For a moment that seems an eternity, one feels himself sitting almost under the tottering trestle as the enormous engine—a mass of whirling steel—leaps thundering and quivering into the empty air and falls shrieking to the swirling river.

Again one sees the girl—Again her father—Again the man. But who are

the victims? Come and see this tremendous spectacle at the New Daytona theatre on Monday.

**WIENER AND MARSHMALLOW ROAST HELD ON THE BEACH**  
On Tuesday evening of this week, a weiner and marshmallow roast was given on the beach by Mr. and Mrs. Herbert O. Budgen in honor of their northern friends, Mrs. H. R. Johnson, Miss Gertrude Johnson, Mrs. M. R. Reynolds and Mrs. Katherine Kudor, of Manchester, N. H.

The other guests were Mr. and Mrs. D. S. Mauck, Miss Ruth Remly, Mr. and Mrs. Thoburn and Bobbie Thoburn, Mr. Abbott, Mrs. Warwick, Mr. and Mrs. J. E. Coleman, Irene Budgen, Mrs. John Adkins, Albert Adkins, Miss Miner and E. Budgen.

A jolly time was enjoyed playing games on the broad level beach which was made very beautiful by the full moon. After a few songs the members of the party spent about an hour in roasting the weiners and marshmallows over the coals of the fire. Delicious home made rolls and potato salad were served and all the members of the party returned to their homes, thankful to their host and hostess for the enjoyable evening.

**Never Out of Date.**

We are inclined to smile at the quaint costumes that our grandparents wore, and at their rather stilted, formal manners. We dispense with a great many things which were considered important a hundred years ago. But patient, plodding perseverance, sticking to a thing till you finish it, is held in as high esteem in the twentieth century as it was in the eighteenth. Industry and patience are never out of date.

## APPEAL RECEIVED FOR MEN TO JOIN THE NAVY AT ONCE

UNCLE SAM MUST HAVE 30,000 MEN FOR THE NAVY BEFORE APRIL 20—FLORIDA'S QUOTA IS ONLY 300.

Mayor C. M. Bingham of this city received the following important letter from the United States Naval Recruiting station at Atlanta, asking for men to enlist in the navy.

The communication reads as follows:

"The Mayor:  
"The President has just appealed to the country for 38,000 men for the navy in this national emergency."

"The immediate and first need of the nation at the present time is our navy. It is vital to the honor and defense of our country that men be recruited to man our ships at once."

"Three hundred men have been asked of Florida as her quota, and I am instructed by the navy department that it is of the utmost importance that this number be obtained before April 20."

"I know that the people of Florida will respond loyally as always, and that it is only necessary to put the need of their country before them."

"As the navy recruiting officer for Florida I appeal to you, and through you to members of your chamber of commerce and others in a position to do so, to co-operate loyally with me in getting word to them."

"At the present time you can do so practically by having displayed where it will reach the greatest number of young men, advertising matter that I will send you."

"I know you will respond to this appeal, and assure you of the deep appreciation of the navy department and of your country."

"Yours very truly,  
"H. R. KELLER,  
"Lieutenant (J. G.) U. S. Navy."

C. O. CHAMBERLIN'S REMAINS TAKEN NORTH FOR INTERMENT

The remains of C. O. Chamberlin, which had been in the Bingham &amp; Maley company's retaining vault in Pinewood cemetery since his death, early in March, were forwarded Friday for interment at the family home, Brattleboro, Vt. The remains were accompanied north by Mrs. R. E. Gordon, a sister of the deceased who had been here with him at the Despland hotel, and a brother, E. A. Chamberlin, who came to Daytona about three weeks ago.

## CO. COMMISSIONERS OPPOSED TO LOSING VOLUSIA TERRITORY

C. F. Burgman, chairman of the board of county commissioners of Volusia county, yesterday, received the following telegram from Hon. David Sholtz, now representing Volusia county in the state legislature:

"What does Board of County Commissioners wish respecting proposed Flagler county?"

In reply Mr. Burgman sent Mr. Sholtz the following:

"The Board of County Commissioners of Volusia county in session April 5th directs the representatives in the legislature to oppose with all their power the taking away of any part of Volusia county to become part of the proposed Flagler county and you will all of you, receive instructions to that effect through the clerk of the board, over the seal of Volusia county. I would call attention our representatives in the legislature and senate to the fact that that part of Volusia county sought to be embodied in proposed Flagler county represents a valuable asset of Volusia county and that if taken out of Volusia county it would leave the great highways east and west now being improved and to be improved under bond issues in Volusia county. Thus leaving the burden of road improvement and maintenance to the tax payers of Volusia county and give the benefit of these improvements to the property owners of the proposed Flagler county without a compensating return in taxes and increased increments in land values upon which taxation is based. Flagler county then would reap all the benefits and Volusia county would pay all the bills. Kill the proposition as far as Volusia county is to be brought into this kind of a scheme with all the force and power at your command. Please show this letter to Senator Alexander and Representative Putnam, as it is intended for our entire delegation in the legislature."

"CHAS. F. BURGMAN,  
"Chairman Board of County Com."

SIXTH AND SEVENTH GRADE PUPILS GIVE BEACH PICNIC

The sixth grade pupils of Miss Alice Fry, and the girls of the seventh grade of the Daytona grammar school, with Miss Nixon, writing teacher, and Miss Mary Sheppard, latin teacher in the Daytona high school, went to the Nautilus casino Friday afternoon for a beach picnic.

Surf and pool bathing provided amusement for many of the happy group. Later in the afternoon everyone in the party gathered about a blazing fire to roast marshmallows. A delectable picnic supper served in the casino from well filled hampers, was not the least of the delightful outing.
